

International Fire Service Accreditation Congress

Accredited Entities and Levels

The information in this document is current as of March 5, 2025

Codes used in the Report	
AR	This level was added to the entity's accreditation through the administrative review process as of the date shown.
SV	This level is included in the entity's accreditation as a result of a site visit completed on the date shown.
U	IFSAAC Administration has been notified by the entity this level has been updated to the edition of the standard shown since the last site visit or administrative review [e.g., (2024) U].

Unless otherwise noted in this document, the *Standard/Edition* shown for each listed level refers to the NFPA® standard code and edition applied by the entity for certification. If a standard other than an NFPA® standard is used, a reference to that standard will be shown.
