Degree Assembly

Accreditation Decision Summary

Rowan-Cabarrus Community College
Salisbury, NC

Initial Accreditation Date: October 4, 2024
Next Activity: Reaccreditation due by October 2029

Program: Fire Protection Technology

Degree(s):

Associate of Applied Science in Fire Protection Technology

Summary of most recent action(s):

On October 4, 2024, the Degree Assembly Board of Governors (DABOG) made the following decision regarding Fire Protection Technology program at Rowan-Cabarrus Community College.

Decision: Granted initial accreditation

The site visit for Rowan-Cabarrus Community College was conducted June 11-13, 2024. The evaluation team consisted of Lee Silvi (leader), Bill Carver (member), Darin Raskopf (member), Marc Rudder (reader) and Paula Simone (reader). The evaluation team recommended initial accreditation.

Motion by Paula Simone to accept the evaluation team's report and approve the Rowan-Cabarrus Community College degree program for initial accreditation. Second. Motion carried.
