#### Summary of IFSAC-DA Most Recent Site Visit:

Site Team Leader Lee Silvi gave the report from the September 25 & 26, 2018. The evaluation team members were Marc Rudder (Leader), Josh Crisp (Site Team Member), Cynthia Brun (Reader), and Jim Hitch (Reader). No issues, feedback from the readers was all positive. Again, new criteria checklist is working out great. No requirements or recommendations from the site team. The site team did review the Certificate of Completion for Basic Firefighter while on site. The site team recommends reaccreditation.

Motion to approve site visit report by Marc Rudder. Second by Bill Carver. Discussion on the certificate name. Motion passes.
