Degree Assembly

Accreditation Decision Summary

Blinn College
Brenham, TX

Initial Accreditation Date: October 29, 2025
Next Activity: Reaccreditation due by October 2030

Program: Fire Safety and Health

Degree(s):

Associate of Applied Science in Fire Safety and Health

Summary of most recent action(s):

On October 29, 2025, the Degree Assembly Board of Governors (DABOG) made the following decision regarding Fire Safety and Health program at Blinn College.

Decision: Granted initial accreditation

The site visit for Blinn College was conducted September 16-18, 2025. The evaluation team consisted of Casey Hall (leader), Lee Ennis (member), Joel Davis (member), Richard Carroll (reader), and Stephen Best (reader). The evaluation team recommends initial accreditation for Blinn College degree program(s) - Associate of Applied Science in Fire Science Technology, Associate of Applied Science in Fire Safety and Health, and Fire Science Technology Academic Certificate

Motion by Joel Davis to accept the evaluation team's report and approve the Blinn College degree program(s) for initial accreditation. Second. Motion carried.
